WORLD SERVICE REPORT: Rodger F. stated that at the last meeting in Palo Alto the items for discussion were: W.S. Conference #4, trademarks, Big Book questionnaire, and literature. It was decided that at the conference each group could be represented by one person to speak for three to five minutes. Regarding literature, groups do not have to worry about charging sales tax. On the trademark issue it was mentioned that a gentleman in N.Y. has the trademark--SMOKERS ANONYMOUS. Lawyers that we have consulted suggest that we continue to use the name. Questionnaire for making up Big Book was passed out at this meeting. The need for answers to these questions is high in priority.
