## INTERGROUP MEETING May 27, 1990

Meeting opened by Inge I. Introductions around the room with 14 people present.

Chris L. reported on getting a statewide 800 number and will make a proposal at the upcoming World Services meeting. Costs are a \$200 one time charge, plus monthly or hourly rates.

Inge passed out agenda with printed 12 steps and 12 traditions and also an April 1990 Worldwide Meeting Directory. She also announced that the Thursday Malibu and Friday Calabasas meetings are in trouble and need support. Inge is trying to visit every meeting while she is chairperson.

Carole D. read the minutes from last month which were approved. Carrie D. read the treasurer's report which was approved. She suggested a reminder form be mailed out to secretaries to contribute money to intergroup. We now get only \$300 monthly.

Jack and Phil reported on World Services. The lawyer has told us it is safe to start using the new name, Nicotine Anonymous. Send suggestions for a new logo to World Services.

Jack had the draft copy of the Big Book printed and they are available for \$4.50.

Public Outreach report: the 800 number was discussed. Public service announcement videos need to come back for name change. A new format for the outreach letter was approved.

Jack mentioned the 20/20 program on quitting smoking.

Inge asked for a volunteer for literature ordering and sales. No one volunteered, so it was agreed that intergroup would sell its existing stock of literature and then ask groups to order literature directly from World Services.

Inge is continuing to register meetings to increase communications. She is asking for a group contact name. For starter kits people should phone or write to World Services.

Nicotine Anonymous World Services meeting we be hosted by intergroup at noon to 5:00 PM, on June 16, at the Mercury Savings Community Room, 10435 Santa Monica Blvd, West Los Angeles, CA 90025. Lunch will be provided and there is parking in the garage of the building.

The next intergroup meeting is at 10:30 AM on June 24, at the Cigna Health Building, at 1711 West Temple St., sixth floor conference room, at the Glendale Avenue exit off the #101 Hollywood Freeway.
