OLD BUSINESS: Schedule of meetings needs to be changed to include La Mesa meeting. Jack said that a copy of meeting schedule should be mailed to all people on list. Tom will redo schedule; Chula Vista and Kearny Mesa meetings will be removed from schedule.

NEW BUSINESS: Jack said it was his opinion that all meetings need structure. Sunday night meeting in El Cajon is a step study and works very well. John said he had never received a kit for new meetings. Jack suggested he write to San Francisco and they will send everything for a beginner's pack.

Tom asked if anyone wanted to purchase a Big Book. Larry, Ross and John said they would like to buy one.

Ross said he would like to be a member of Southern California Intergroup; Jack gave him a schedule. Sally should be on mailing list of Southern California Intergroup. Jack said there was dissension about the name of Smoker's Anonymous versus Nicotine Anonymous; it will be discussed at Conference.

WORLD SERVICES CONFERENCE: Tom will have charge of flyers. World Services will take charge of Saturday schedule and workshops. Brandy King band selected; cost \$350. Larry will investigate restaurant for Friday night for approximately 50-60 people, 6:00-8:00 p.m.

Jack discussed the Conference agenda, beginning with Friday p.m. registration. Tom, Sally, Jay and John will work on folders. It was tentatively decided that folders should contain brochure from restaurant, and menu; schedule of events; order forms for tapes; list of marathon meetings, including topics; map of San Diego; how to order literature and what World Services can do; badges for attendees in different colors reflecting payment. Ross will look into pictures and report at next meeting. Tom will price folders; John will work on contents of folders.

Jack, Gerry, Judy and Susan will form a committee on badges; if anything is decided, committee will proceed.
