"SECOND GLANCE" ANNOUNCEMENT FOR July, 1991

Nicotine Anonymous is a twelve-step recovery group for smokers and other nicotine users who want to quit, and for ex-users who find it hard to "stay quit." There are no dues or fees. We are self-supporting through our own contributions. The local group meets every Wednesday evening from 7:00 till 8:00 PM at the Simi Valley Presbyterian Church, 4832 Cochran Street, between Tapo and Stearns. For more information about this group or the locations of other meetings on different nights in nearby communities, call 527-5946.
