Subject: Fiscal Year 1997 Group Donations,
Friends,

The listing on the other side is made up from the books and bank statements of SCINA. It includes all of the deposits mad into our checking account from November 1996 to September 1997. We were unable to be accurate about dates that the checks were written so we have just showed them in the month they were deposited. The amounts should be proper even if not n the right month.

In October we have started a new procedure by which we send a receipt to the secretary of the meetings that made donations in the month that the donation was made. If there is any problem with this new system please let me know and we will see how it can be corrected. one part of the new system is that we are sending the receipts to meeting secretaries.

Please ask your representative, who comes to the SCINA meeting, that when they make a donation in cash that they ask the treasurer for an envelope on which they can write on the outside 1. the meeting number 2. the secretaries name, and 3. the amount of money. If the donation is by check the same information is required, also the donation can be put in an envelope and have the same information on it.

Very truly yours,

Phil P.
Treasurer
