Special notes:

There are a few meetings where the mailing information is missing for either the secretary or Intergroup representative. See high-lighted items on attached report.

I also noticed that the October minutes indicated that an additional 50 copies of the directory were needed. I received an email from Jean indicating that only 20 extra copies were needed, but I had already printed the 400 copies. I will cut back to 370 for next month.

Sincerely,
John M. Hayes
