

SOUTHERN CALIFORNIA INTERGROUP OF NICOTINE ANONYMOUS

INTERGROUP UPDATE

The Southern California Intergroup of Nicotine Anonymous would like to inform you that we have a new address which is as follows:

SCINA
19744 Beach Boulevard, #247
Huntington Beach, CA 92648

We wanted to remind you of our activities and let you know that your Intergroup provides several valuable services.

We provide an **800 Number** for people who are looking for information about the Fellowship. The line is manned by volunteers seven days a week. If someone calls in looking for information a volunteer calls them back and gives them the meeting information in their respective area.

We perform various **Public Outreach Projects** in order to carry out our mission to get the word out about our program. These projects include our recently completed "Carry the Message Day", our Business Card Holder program at member's doctor's offices, flyers and mailings to individuals and groups. If you need a flyer for your area please let us know.

The Intergroup holds monthly meetings at which we provide **Literature, Chips, and Books** for sale to the Groups. In addition, we publish an updated Meeting List on a monthly basis which is also available at our meeting. Each month we complete a mailing to the groups which at a minimum includes our Financial Statement, the minutes of our meeting and a meeting schedule.

We conduct as many **Panels at Hospitals and Institutions** as we are asked to do. Recently we have been very successful at working with the Kaiser organization in sending panels to their Smoking Cessation Programs in Orange County.

Each year we conduct several events which we are very proud of. This year these will include the **Retreat** in June, our **Annual Picnic** in September and our **Marathon Meeting** in November. We are currently looking for someone to head up the Picnic Committee.

For the last several years we have adopted the policy of suggesting to the groups in our area that they send in their donations directly to the Intergroup. The Intergroup's policy is to maintain a prudent reserve of \$500 plus any committed known expenses and then forward any excess funds to World Services on a Monthly Basis. Your donations are needed and very much appreciated. We are looking forward to expanding our Public Outreach efforts to make sure we as a group are carrying the message to practicing addicts. (This suggestion for handling your donations is made within the spirit of Tradition Four. "Each group should be autonomous except in matters affecting other groups or Nicotine Anonymous as a whole.")

On a final note, we are very proud to announce to you that SCINA is once again going to host the World Service Annual Conference in 2003. Nicholas V has volunteered to be the Chairman of our Committee and the site will be somewhere in West LA.

We want to take this opportunity to invite you to attend one of our monthly meetings. As an all-volunteer organization we value the involvement of each individual.
