*Nicotine Anonymous is a fellowship of men and women helping each other to quit smoking and live our lives free of nicotine. We share our experience, strength and hope with each other so that we may be free from this powerful addiction. The only requirement for membership is a desire to stop using nicotine. Nicotine Anonymous is not allied with any sect, denomination, political entity, organization or institution; does not wish to engage in any controversy, neither endorses or opposes any causes. Our primary purpose is to offer support to those who are trying to gain freedom from Nicotine.*
