

Carrying On

Carrying the Message is a basic step in our recovery. It is a privilege we have as members of Nicotine Anonymous, and is the basis of the 12th step:

“Having had a spiritual awakening as the result of these steps, we tried to carry this message to nicotine users and to practice these principles in all our affairs.”

Consider Carrying the Message throughout the year to those who still suffer.

There are several good ways to carry the message. We can:

- share our recovery with nicotine addicts who may be ready to rid themselves of nicotine dependence.
- ask our doctor, dentist or pharmacist for a small space in their reception area for our literature and cards.
- visit other meetings and share our strength and recovery, thereby giving evidence that recover is possible.
- be of service in our meetings, Intergroup, or World Services.

There are so many opportunities to share our hope, strength, and wisdom. Each sharing, each giving away of the benefits we have gained in Nicotine Anonymous, strengthens each of us in our own recovery.

Nicotine Anonymous is a fellowship of men and women helping each other to quit smoking and live our lives free of nicotine. We share our experience, strength and hope with each other so that we may be free from this powerful addiction. The only requirement for membership is a desire to stop using nicotine. Nicotine Anonymous is not allied with any sect, denomination, political entity, organization or institution; does not wish to engage in any controversy, neither endorses or opposes any causes. Our primary purpose is to offer support to those who are trying to gain freedom from Nicotine.
